

E0027

X-ray Diffraction through the Years: From One Structure per Year to One Structure per Hour. Richard E. Marsh, Beckman Inst., 139-74, California Inst. of Technology, Pasadena, CA, 91125, USA, Phone: 1-626-395-2738, E-mail: rmarsh@caltech.edu.

The talk will probably focus on reminiscences of small-molecule crystal structure analysis, beginning at about the time of the first issue of *Acta Crystallographica* in 1948. Some highlights and some lowlights may be mentioned.
